

**AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009
SECTION 1511 CERTIFICATION**

**City of Los Angeles, Department of Public Works
Santa Monica Bay Low Flow Diversion Upgrades Project
Project No.: C-06-6907-110
Agreement No.: 08-311-550**

The authorized representative of the State Water Resources Control Board hereby certifies, and/or affirms that the Santa Monica Bay Low Flow Diversion Upgrades (Project) has received the full review and vetting required by law and that such representative accepts responsibility that the Project is an appropriate use of taxpayer dollars. Subject to the provisions of the Financing Agreement, the following general description is provided in order to comply with Section 1511 of American Recovery and Reinvestment Act of 2009 (ARRA):

- Project description: The Project, commonly known as Santa Monica Bay Low Flow Diversion Upgrades Project, generally consists of expanding six low-flow stormwater diversion facilities located at Bay Club, Thornton Avenue, Venice Pavilion, Marquez Avenue, Imperial Highway and Temescal Canyon in the city of Los Angeles, to increase capacity so that winter time dry-weather flows can be diverted to the wastewater treatment plant.
- Estimated total cost of the Project: Six million, three hundred fifty-seven thousand, four hundred ninety-seven dollars and no cents (\$6,357,497).
- Type of assistance: Full principal forgiveness.
- Estimated amount of ARRA funds to be used: Four million, three hundred sixty-four thousand, four hundred twenty dollars and no cents (\$4,364,420).
